## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 2, 3, and 11 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art either alone or in combination doesn't teach claim 11 of an input event of the user input is transferred to one of the operating systems (OSs) which displays at the position, wherein the input device determines the OS which displays a background of the superimposed display as the OS to which the input event is to be transferred. This feature and operation is shown and described with respect to Figure 14 (page 25 of the specification), in which an input is transferred to an OS displaying a background despite the fact that an OS displaying in the foreground is a different OS (OS2) (applicant's remarks, page 5), in combination with the other claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
